

# MEET THE TEACHER

## A BIT ABOUT ME

Hi! My name is Irene Quintero. I am beginning my 16<sup>th</sup> year at SJB! I am a very shy and reserved person, but will sing, dance, be silly, or whatever it takes to reach my students. I LOVE to travel, whether that's with a small group of friends or an extremely large group of my extended family. (We will routinely have a group of 15-20 people meet at the airport!) I love to read and have dozens of books on my Kindle ready to go when I finish the one, I am currently reading. It could be said that my interests run the gamut: I have season tickets to both Texas Longhorns football and Broadway in San Antonio. My Spotify playlist is all over the place, too. I grew up as a parishioner of St. John Berchmans and attended religion education classes here for 12 years as a child, so having the opportunity to work in a place that feels like home has been such a blessing.

## MY FAVORITES:

**Color:** Light Blue

**Subject:** English/Language Arts

**Candy:** Take 5; Dark chocolate, especially with nuts or caramel

**Book:** I read 30+ novels a year, it's a bit hard to pick a favorite, but if I HAVE to pick one, I'd probably say Pride and Prejudice

**Hobbies/Collectables:** I love reading, traveling, sending and receiving handwritten letters and cards, baking and going to the movies.

**Food:** I love potatoes: mashed, baked, scalloped, fried, they're all good!

**Drink:** Caffeine is my best friend. 😊 I like Coca-Cola, Pepsi, or a nice, fresh sweet tea.

**Restaurant:** Some of my favorite places to eat are Bill Miller, Whataburger, Chick-fil-A, Pluckers, and HuHot.

**Store:** I love shopping at Macy's, Target, and Nordstrom Rack. I also really love going to HEB; I think grocery shopping is fun!

**Vacation Place:** I love visiting new places, but some of my favorite spots to return to are New York City, Boston, Chicago, and Las Vegas. I also love a good beach trip.

**Sports Team/Player:** I love to support my alma mater: The University of Texas at Austin

**Other Favorites Not Listed:** I love ColorStreet nail strips. They're super easy to put on and I love the fun patterns. One of my favorite things to snack on are roasted, unsalted nuts. Those close to me would joke with you and say that my favorite color is "glitter" because I like things that sparkle. I love flowers: both designs/patterns on objects and the kind that come in bouquets.
